Project Mayreeg Packages

In May, we distributed (19) Project Mayreeg kits to registered beneficiary families who have been displaced from Artsakh to Syunik, Armenia. These beneficiaries have experienced pregnancy and motherhood during war, displacement, and loss.

Though the Artsakh war began in September, hardship endures for many mothers as they adjust to their "new normal." The adjustment is especially difficult after being forcibly removed from their lifelong homes and villages by Azerbaijan.

Artsakh Civil Society Expo Stepanakert, Artsakh

Artsakh Civil Society Expo was a two-day expo in Stepanakert that hosted panel discussions about fundraising, government, youth, and civil society relations. The event provided an opportunity for community leaders and key developmental organizations to connect and collectively organize.

Our team members Marguerita Doudaklian and Sose Simavorian attended on behalf of Kooyrigs (pictured in the back row - 7th and 10th from the left respectively).
