# MONTHLY REPORT SEPTEMBER 2022

## CRISIS RESPONSE - IMMEDIATE AID

**FOCUS:** PROVIDE NECESSARY SUPPORT TO BENEFICIARIES WHO HAVE BEEN DISPLACED, AS WELL AS THOSE WHO ARE ACTIVELY RESIDING WITHIN ARMENIAN REGIONS BEING TARGETED BY AZERBAIJAN.

# KOORYIGS INC. & NGO

## A MESSAGE FROM OUR TEAM

Dear Community Members,

As you may know, September 2022 has been an intense month for Armenians due to Azerbaijan's unprovoked attacks on Armenia and Artsakh. As a result of the attacks that began on September 13, 2022, a majority of Kooyrigs beneficiaries living in Syunik and Gegharkunik, Armenia were forced to take shelter in bunkers to escape the constant shelling. Some of these beneficiaries were forced to flee their homes due to the violence, leaving them forcibly displaced for the second time since the 2020 Artsakh War.

Our plan for this month was to provide necessary support to beneficiaries who were a) displaced or b) actively residing within villages targeted by Azerbaijan. It is our priority to ensure that Armenian villages experiencing financial insecurity have the resources they need to sustain themselves while facing existential threats. Through hands-on deliveries and on-ground involvement with local leadership, our beneficiary list has grown. We've connected and established relationships with more villages and municipalities in the Gegharkunik Province (Eastern border of Armenia) and have been coordinating with the **Human Rights Defenders Office of Armenia** to deliver urgent humanitarian support to those residing in heavily targeted villages. Our friends at **GG Taxi** have also supported us by covering a portion of transportation costs for our deliveries to Gegharkunik.

We would like to extend our deepest thanks and gratitude to all who have donated their time, funds, and energy to support our work. We hope this report provides a window into the logistics of our operations. If you would like more information about our work or have any questions, please contact us via email at [contact@kooyrigs.org](mailto:contact@kooyrigs.org).

Warmly,

Karine Eurdekian - *Founder & Executive Director*

Marguerita Doudaklian - *Operations Director*

## THE PROCESS (STEP-BY-STEP)

1. Contact beneficiaries in conflict areas for a status update- if they are fleeing to find safety elsewhere, we update their location in our database and conduct a needs evaluation via telecommunication.
2. Purchase & collect necessary items (i.e. food, clothing, diapers, etc.)
3. Organize the aid with the support of our volunteers
4. Contact municipalities & set region-focused delivery schedules
5. Deliver aid & conduct in-person evaluations

We purchased \$661.84 worth of toys for children who are displaced, since they are not in school and were forced to abandon their things during displacement. We purchase toys intentionally, considering the number of children in the family, the children ages, and their interests. Many of the toys we distribute are also donated by community members.
